### About The Walden School:

The Walden School, founded in 1972, is a summer music school, camp, and festival offering programs that emphasize creativity and community, specifically through the study of composition, musicianship, improvisation, and choral singing. In residence on the beautiful campus of the Dublin School in Dublin, New Hampshire, Walden provides an inspiring retreat-like environment ideal for creative music making.

The Walden School's 2018 programs include the Young Musicians Program for students ages 9 to 18, and the Creative Musicians Retreat for adults. The School's Concert Series showcases free public performances by renowned artists and ensembles that work closely with program participants.

The Walden School has twice been awarded a Chamber Music America/ASCAP Adventurous Programming Award, has won a New Music Educator Award from the American Music Center (now New Music USA), has been a finalist for the National Arts and Humanities Youth Program Award, and in 2017, was awarded a Ewing Arts Award. The Walden School is the successor organization to the Junior Conservatory Camp. The Walden School is a 501(c)3 organization, supported by major foundations, corporations, and hundreds of generous individual donors.
