

The Walden School
Young Musicians Program
2012 Camp Nurse

The Walden School, a summer music festival for musicians interested in improvisation and composition, in residence each summer at the Dublin School in Dublin, New Hampshire, seeks a camp nurse for its 2012 summer session of its flagship Young Musicians Program.

Responsibilities include working with the program director and program leadership team to ensure health among the community's 50 students and approximately 20 faculty & staff; reviewing all medical forms and educating Walden's faculty and staff regarding important information contained within; supervising the care of sick students or faculty / staff during the summer session; communicating and working with parents of students in incidence of student illness and/or injury; overseeing the disbursement of regular student medications; living on campus and performing staff duties, including dorm supervision; performing other duties as determined by the Director.

The position is a full-time, six-week residential position, between June 25, 2012 and August 6, 2012. Compensation is in the form of a stipend, along with room & board.

For more information about The Walden School, please visit our website at www.waldenschool.org.

Interested candidates should send a cover letter and resume to:

Seth Brenzel
Director, Young Musicians Program
sbrenzel@waldenschool.org
(415) 648-1561 (FAX)

Cover letters and resumes may also be mailed to:

The Walden School
Seth Brenzel, Director
Young Musicians Program
31A – 29th St.
San Francisco, CA 94110

Telephone interviews for selected candidates will follow.

The Camp Nurse's primary responsibility is to work with the Leadership Team, Faculty, & Staff to create and maintain a safe, healthy environment during The Walden School Young Musicians Program's summer session in New Hampshire.

Specific responsibilities include:

- Participating in and leading parts of Faculty / Staff Orientation and regular Faculty / Staff meetings as necessary.
- Greeting parents and students on arrival day and completing a health screening; maintaining all on-going communications with parents regarding the health status of children in the care of The Walden School.
- Reviewing Medical Release Forms from students/faculty/staff and advising faculty and staff of any important information contained therein that affect the care of the students.
- Reviewing student's dietary restrictions and possible food allergies and working with the Director of Operations in communicating with kitchen staff about maintaining healthy and safe student meal services.
- Serve as a part-time camp counselor and staff member, assisting with recreational activities, student life and minimal front-office tasks. Serve as a dorm supervisor.
- Checking in on any sick students throughout the summer session; providing care and arranging for supplementary care, as required.
- Managing and overseeing the disbursement of regular student medications, including allergy shots/pills, as required.
- Stocking and maintaining adequate first aid kits and over-the-counter medical supplies.
- Arranging doctor's appointments as necessary and transporting students to and from appointments.
- Hiking up to 4 nearby mountains with the entire Walden community and monitoring health/safety issues associated with any and all off-campus trips, including swim trips.
- Advising staff / faculty about any ongoing health issues in the community.
- Participating fully in the life of the community, including (hopefully) singing in our faculty/staff chorus, and responding to health issues as they arise during the course of the summer program.
- Possibly training The Walden School faculty and staff in basic first aid.

Benefits: Opportunity to be a vital member of a friendly and supportive community; opportunity to attend excellent concerts and workshops by visiting guest artists; close proximity to Boston and other quaint New England towns; excellent swimming in nearby Dublin Lake.
